

**MAY 22, 2024
WEDNESDAY WORKSHOP
9 am PT, 10 am MT, 11 am CT, 12 pm ET**

**Using the Census for Genealogy--More than you think
Sue Mueller, Genealogy Group Leader
Computer Users of Erie
and
The Dark Web
Al Williams, President
Willow Valley Computer Club**

Register here – <https://forms.gle/8ZkMiHLmg6jfBLKs7>

After you click Submit, you will receive a pop-up acknowledgment of your registration. On May 21, after registration closes at 6 pm Pacific Time, you will receive the encrypted Zoom link.

Census Records—More than you think. Explore federal and state census records, where and what you will find on the census, family, and neighbor clues, linking census clues to other sources, other census schedules, and census substitutes.

The Dark Web. What is it? Is it dangerous? Why would I want to use it? This presentation is for the curious.
